

KNOW YOUR NETWORK

Know which providers aren't covered.

If you enroll in the **Maricopa County Health Savings Account plan available through Cigna** (effective May 1, 2019), you'll save money by using health care providers that are in your plan's network. You can also use most out-of-network providers, but not all providers are covered and you will likely pay much more out of pocket. If you do go out-of-network, it's important to note that the **providers listed below are not covered by your plan**. This means you'll be responsible for 100% of incurred charges from these providers:

- › Arizona Center for Minimally Invasive Surgery
- › East Valley Surgery Center
- › Laser Spine Institute LLC
- › Minimally Invasive Spine Surgery Center of Paradise Valley
- › Northstar Healthcare Surgery Center of Scottsdale
- › Olive Surgical Care LLC
- › Santan Surgery Center
- › Troon Pain Management

It's easy to find an in-network facility (and avoid out-of-network costs).

Go to **myCigna.com** > Find Care and Costs > search by the best option for your care.
