Finding an ancillary provider on myuhc.com®

By using doctors, hospitals, pharmacies, labs and other providers and facilities in your UnitedHealthcare network, it helps you save money and lower health care costs. But when you have a procedure that requires ancillary or supplemental providers such as anesthesiologists, pathologists, radiologists, emergency medicine or hospitalists; how can you make sure that provider is in the UHC network?

Below is a list of Hospital systems in Maricopa County indicating whether ancillary providers are contracted or not by facility. (Information valid as of July 2020. Contracting of providers subject to change).

YES = Patient should only be seen by a contracted provider.

MAYBE = UHC has a contract in place, however patient may still be seen by a non-contracted provider.

NO = No contract in place. Out of network benefits apply.

1 Log into **myuhc.com**. You can create an account by clicking on "Register Now".

2 Once logged in, go to the find a doctor search.

3 Simply enter the type of provider you are searching for; i.e, pathologist, anesthesiologist, hospitalist etc.
